

INTERNAL

1. Migration

2. Course complete result

3. Panel of ~~not~~ all questions at the top of Objective-
Question papers

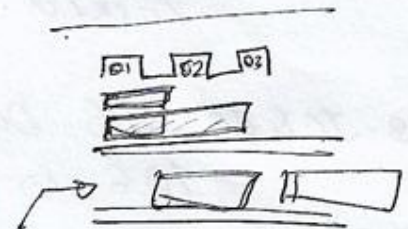

- Attended "Green"
- Not Attended "Ash"

4. Sweet Alert in all aspects

5. URL based authentication in all aspects

6. Suggestive Mark Assign

- Separate Region Marking for Buttons

- "Save Answer Sheet"

- "Save & Lock Answer Sheet"

7. Note should be displayed in all aspects.

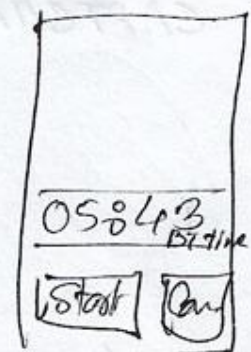

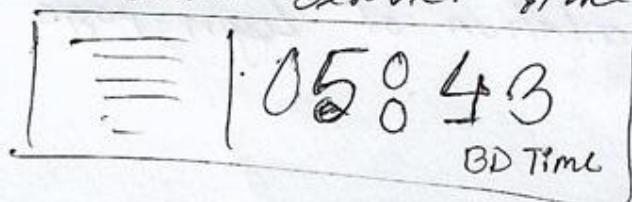

8. JE & SC Assessment

- CI/OC/Admin Lock/Unlock Feature

- " / " / " Mark Review Feature

9. EPE Setup

- ~~Zero~~ Server time should be displayed

10. Separate Signature Block for JE & SC Reports

11. Migration View

12. JC&SC Assign mark

- At Exercise selection

- First Time focus is not at Exercise Title

- Course Heading should have separate color

~~At~~ ~~the~~ ~~s~~

- At "~~save~~" / "Lock" button click screen should be locked.

13. JC&SC DS Dashboard.

- 106 is showing as course should show

- 105 OR 105 & 106 both (if both are assigned to that DS)

14. JC&SC DS should have access to view

Subject wise Result before Result publish also

15. CI and Above Role should have privilege

- to see the attendees of EPE at the time of Exam execution

***16. EPE Re-schedule Feature should be implemented

17. CAPTCHA Implementation at Login page

T.B.C.....

*** Not yet decided

18. Minimize the drop-down options from "EPE marking (subjective)" Navigation - keep selected parameters
- Better for other Features as well

19. JC & SC

Lock/Unlock Feature from DS to OC/Admin is required

- Better if possible to implement messaging feature as well to unlock
- Remarks is mandatory at the time of unlocking

20. CI and above should be able to see the Result before ~~the~~ CI lock/publish - Once DS has locked (at ongoing process)
